**Please enroll me as a Continuous Member of the MCA. Save 10% That makes my yearly dues just \$450.** (Includes three \$50 vouchers upon enrollment.)

Becoming a continuous Member helps the MCA by reducing the expense associated with billing members and the time it takes to receive payment each year. By choosing this option, you will remain a continuous member of the MCA unless you notify the MCA otherwise. We will send you an invoice each year. If you decide not to send a check we will simply debit your credit card. We ask that you provide your credit card information and authorize us to debit your annual dues payment and C-PAC contribution, as indicated today, unless you make payment by check either with this application or prior to January 15th of each consecutive year.

**Auto Debit Authorization**

I authorize the Maryland Chiropractic Association at 720 Light Street, Baltimore, MD 21230, and/or a financial institution to be named later working on behalf of the MCA to initiate recurring payments from my credit account, in the amount indicated below. My authorization will remain in effect until I notify the MCA, in writing, to cancel it. If I do cancel my authorization, I will do so in such time as to afford the financial institution a reasonable opportunity to act. I maintain the right to stop payment of any entry simply by notifying the MCA three (3) days before my account is charged. Likewise, the cost of my annual membership and PAC contribution will automatically be withdrawn unless I notify the MCA of my intention to cancel my membership or modify my PAC contribution.

*Please Note: Your credit card statement and receipts will read "Association Headquarters". Payments may also be made by check, made out to the Maryland Chiropractic Association. Contributions or gifts to the MCA are not tax deductible as charitable contributions for income tax purposes. They may be tax deductible as an ordinary and necessary business expense subject to restrictions imposed as a result of association lobbying activities. The MCA estimates that 51% of your dues are non-deductible.*
